Build

- Heavy-duty construction made from premium CrNi 18/10 AISI 304 stainless steel with Scotch-Brite satin finish. Featuring a 2mm thick worktop, rounded edges, chrome details, and rear splash-back.
- Tank constructed completely in AISI 316 Stainless Steel
- Waterproof chromed knobs with an IPX5 waterproof rating
- Automatic water loading with a level sensor keeps the tank topped up as needed. A water skimmer removes scum and starch buildup, maintaining clean water for longer use. An overflow device ensures proper water levels, and automatic floor drainage activates when required.
- High efficiency burners with pilot light and thermocouple safety valves, allow effortless temperature control and rapid heating and recovery.
- Large selection of perforated pasta baskets with safety handles, available in different sizes for multiple product cooking. (Baskets Excluded)
- Designed for easy maintenance and serviceability, with all parts accessible by simply removing the front control panel.
