

# Multideck Open Cooler

## Plug-in

### Standard features

- Ventilated cooling, fast cooling
- Self-contained Secop compressor, plug in for use
- 5 layers adjustable shelving with price tag and plexiglass front riser
- LED light under top and each shelf
- Dixell digital thermostat
- Dual air curtain, more stable cabinet temperature
- EC evaporator fan motor
- Auto evaporation water tray with heater (optional)
- With night curtain

## Specifications

| Models              | ELF 94S                                             | ELF 125S         | ELF 187S         | ELF 250S         |
|---------------------|-----------------------------------------------------|------------------|------------------|------------------|
| Exterior Dimensions | 998*740*2000 mm                                     | 1310*740*2000 mm | 1935*740*2000 mm | 2560*740*2000 mm |
| TDA                 | 2.45 m2                                             | 2.91 m2          | 3.81 m2          | 4.72 m2          |
| Temperature         | +1 / +5 °C                                          |                  |                  |                  |
