

Fagor Electric Condensing Hood for 061 and 101 IKORE Oven EXH-061-101

Description

Electric Condensing Hood for 061 and 101 IKORE Oven

Extraction hood with a simple installation of single-phase connection, capable of retrofitting.

A solid structure, with an accessible and removable front, as well as removable filters for an easy maintenance and cleaning.

It retains the steam resulting from cooking and sucks in the steam generated when the door is opened, with a suction power that is adjusted to each situation.

The steam is automatically extracted from the cooking cabinet.

Warranty: 2 Years Parts & Labour Plus 2 Years Parts Only With Product Registration Within 14 Days Of Invoice
