SILO SCD600 Ice Cube Storage Bin & Transport System

Model ID: SILO SCD600

The SILO SCD Series is the ultimate ice storage bin solution for caterers and venues that need to cover a lot of distance fast. The SCD600 Ice Cube Storage Bin offers more than 600kg of capacity in its bin, plus up to 112kg of capacity in each of its two carts. The bin design benefits service delivery by helping you avoid ice spills and speeding up the transfer of ice to drinks, while the carts help you transfer ice to different stations with less effort.
