

Specification/Datasheet

Transport trolley model half size - Combi-Duo

Article number

60.75.388

Description

The transport trolley allows mobile oven/plate racks to be loaded and unloaded into the cooking system and safely transported. Height-adjustable transport trolleys are suitable for cooking systems installed on work surfaces and elevated stands.

Intended use

This product is intended exclusively for professional use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose, and could be dangerous. RATIONAL AG assumes no liability for consequences of improper use.

Features

- 2 levels to accommodate the mobile racks
- Mechanism for securely locking the transport trolley with the Combi-Duo run-in rail
- Height-adjustable to adapt to any Combi-Duo installation
- 4 casters (of which 2 are lockable)
- Handle for easy entry and exit of the mobile oven/plate rack in and out of the cooking system

Flexible height adjustment for Combi-Duo installations

Specification/Datasheet
